Payment Responsibilities

- Parents/carers are responsible for ensuring that all training fees, match fees, membership fees and any other agreed club payments are **paid by the required deadlines and kept up to date**.
- Any outstanding fees should be settled promptly when requested by the club.

- Where fees remain outstanding, the club reserves the right to contact the parent/carer to discuss payment and agree appropriate next steps.
- Continued non-payment without prior communication or an agreed arrangement may affect a player's ability to participate in training, matches or other club activities.

Financial Circumstances

We understand that individual circumstances can change. **If you are experiencing financial difficulties that may affect your ability to meet club payments, please speak to a member of the coaching team in confidence as early as possible.**

We would always encourage families to communicate with us rather than allow payments to become outstanding.

Agreement

By accepting a place with Oldham Netball Club, parents/carers acknowledge the fees associated with their child's membership and agree to keep all required payments up to date or communicate promptly with the club if circumstances affect their ability to do so.
