**Player Squad Selection  
Terms and Conditions**

## Oldham Netball Club - Player Squad Selection Terms and Conditions

**As a member of an Oldham Netball Club (ONC) squad, I understand and agree to the following terms and conditions:**

- **I understand that I have been selected for my ability, commitment, attitude, potential and hard work**, and I will continue to work hard and contribute positively to the success and development of my squad.
- **I will support, encourage and respect my teammates at all times.** I understand that negative comments, intimidation, bullying or behaviour that could undermine another player will not be accepted.
- **I understand that selection for matches, tournaments and competitions is not guaranteed** by being a member of an ONC squad.
- **I understand that match and tournament squads will be selected by the coaching team (including the Head Coach)** and that selection decisions may consider factors including performance, development, attitude, commitment, attendance, training standards, opposition and the needs of the team.
- **I understand that being selected for a match or tournament does not guarantee equal court time.** I may be required to share my position, play in a different position, start on the bench or receive less court time than another squad member.
- **I understand that team selection, positions and court-time decisions are made in the best interests of the team and its performance**, while also considering the ongoing development of players.
- **I will respect the selection and tactical decisions made by my coaches and team management**, even when I may be disappointed with a decision.
- **I understand that squad selection is competitive and may change throughout the season** based on my development, performance, commitment and the requirements of the team.
- **I will attend training sessions, matches and competitions that I have committed to wherever possible.** If I am unable to attend, I will inform my Team Manager or Coach as soon as possible.
- **I will arrive prepared to participate safely**, with appropriately short fingernails, all jewellery removed and my hair securely tied back in accordance with netball rules.
- **I understand that appropriate hydration is important for my wellbeing and performance**, and I am responsible for bringing sufficient fluids to training sessions, matches and competitions.
- **I will inform my Coach or the person taking registration if I am injured, unwell or have any concern that may affect my ability to participate safely.**
- **I will behave appropriately and remain focused during training.** I understand that if my behaviour disrupts the session or negatively affects other players, I may be asked to sit out for part or all of the session and the matter may be discussed with my parent/carer. Repeated or serious concerns may be referred to the club committee in accordance with ONC procedures.

- **I will respect everyone I train and compete with.** Bullying, intimidation, discrimination or deliberately making another player feel uncomfortable or excluded will not be tolerated and may be treated as a disciplinary matter.
- **If I am under 18, I understand that I must maintain appropriate safeguarding boundaries with ONC staff and volunteers on personal social media.** I will not add, follow, privately message or send/accept friend or follow requests involving ONC staff members, coaches or volunteers through personal social media accounts.
- **I understand that representing an ONC squad is a commitment,** and I will uphold the standards, expectations and values of Oldham Netball Club both on and off the court.
